

The background of the entire page is a stylized landscape. At the top right, a large, bright yellow sun is partially visible, with light blue and white curved bands representing clouds or light rays. Below the sky, there are several layers of mountains. The foreground mountains are dark brown and jagged. Behind them are layers of mountains in shades of blue, becoming lighter as they recede. At the base of the mountains is a solid green band representing grass. Below the grass is a wide, horizontal band of yellow and light green, suggesting a field or a body of water. The bottom of the page is a solid teal color.
